

MINUTES OF ST. LOUIS HOSTA SOCIETY
MARCH 19, 2023 AT GREENSCAPE GARDENS NURSERY

Phyllis welcomed everyone, especially those new members and visitors.

This meeting will be very short. She just wants to remind everyone that the Minutes are available on the website.

Treasurer. David Birenbaum, handed out a report showing our 12 month cash flow. He indicated that our finances are in good shape. He has cancelled the 1 CD we had which was drawing only 0.10% interest and has opened 4 \$5,000 CDs which will draw 4.15%. A much better rate.

Phyllis reminded the group of some upcoming events. Vendors Day will be held Sunday, April 23, at Crestwood Community Center Gym, in Whitecliff Park, from 2-5pm. At 1pm we will need volunteers to help the vendors unload and set up, as well as clean up after the sale ends. Remember this sale is open to everyone so we encourage members to attend.

MoBot work day will be held, Sat, April 29, starting at 8AM. Bring your gloves and favorite tool. We will do lots of the same job you are doing in your garden. There are sign up sheets on the table in front.

Our Mo Bot plant sale will be held May 20 and 21. Sign up sheets are on the table in front. Bring your hostas to the Botanical Garden on Friday evening so they can be priced and taken to the sales room. The sale is Saturday and Sunday. If you can not sign up to work, please consider coming and purchasing plants.

If there was no other news Phyllis turned it over to Dave Poos who introduced our speaker, Jennifer Schamber. Jennifer will talk about different flowering trees and shrubs that are available for your garden.

Respectfully submitted,

Jolly Ann Whitener, Secretary
